If we request for the information from you in writing and we do not receive it within ten (10) business days, we may not credit your account.

YOUR LINE OF CREDIT ACCOUNT SUMMARY OF RIGHTS

This is a summary of your rights; a full statement of your rights and our responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to billing error notice.

The following information applies only to loans made by you under your Loan Account line of credit.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR LINE OF CREDIT ACCOUNTS

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the below address as soon as possible. We must hear from you no later than sixty (60) days after we sent you the first bill on which the error or transaction appeared. You may call us at 800.411.7590, but doing so will not preserve your rights.

1. Provide us your name and the account number.
2. Include the dollar amount of the suspected error or transaction.
3. Describe the suspected error or transaction and explain as clearly as you can why you think it is an error or why you require more information.

You do not have to pay the money in question we while we are competing the inquiry, but you are still required to pay the parts of your bill that are not in question. While we complete the inquiry, we cannot report you as delinquent or take any action to collect the money in question.

We figure a portion of the Finance Charge on your account by applying the appropriate "Daily Periodic Rate" to the appropriate portions of the "Principal" balances. We take the beginning "Principal" balance of your account each day, add any new (purchases, advances, loans) and subtract the "Principal" portion of the payments or credits. This gives us the new "Principal." We then apply the applicable daily periodic rate to the "Principal" times the number of "days" at the new "Principal." This gives us the "Accrued Finance Charge" for each period of days in the billing cycle. To arrive at the "Finance Charge" for the billing cycle, we add all of the "Accrued Finance Charge(s) together for the billing cycle.

The minimum periodic payment required is show on the front of the bill. You may pay off your Credit Line Account loan balance at any time, or make voluntary additional payments. Payments shall be applied, first to any unpaid Finance Charges, and second the principal loan balance outstanding in your Credit Line Account. Periodic statements may be sent to you at the end of the billing cycle showing your Credit Line Account loan transactions.

CHECK 21 NOTIFICATION

If you request the return of your original checks, you may receive a "Substitute Check" in response. The Substitute Check is the legal equivalent of an original check and you have rights that apply when you think, in good faith, that a Substitute Check was not properly charged to your account. Contact your branch, or call 800.411.7590 to request a Check 21 disclosure.
