[1] Please note that the Interest Rate noted in the Interest Summary on Page 1 reflects the rates as of the last day of this statement period. If rates were adjusted during the statement period, the rates reflected may not have been applied throughout the entire statement.

[2] The Annual Percentage Yield Earned (APYE) is an annualized rate that reflects the relationship between the amount of interest actually earned on your account during the statement period and the average daily balance in the account for the statement period.

[3] No interest is earned on amounts over $500,000.
