FINANCE CHARGE CALCULATION: Finance charge for line of credit is computed on the daily balance. The daily balance is determined by dividing the sum of the daily outstanding principal balances, less unpaid finance charges and service charges, by the number of days in the period. The total amount of the finance charge for the billing period is computed by multiplying the number of days in the billing period by the amount of the daily balance and multiplying the product by the daily periodic rate. **LOST OR STOLEN DEBIT CARD:** To report your lost or stolen Debit Card, call (855) 297-3416 **PREAUTHORIZED CREDITS:** If you have arranged to have direct deposits made to your account you may call us at (800) 787-4542 to verify that the deposit has been made. **IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS:** Telephone us at (800) 787-4542 or write us at: LINKBANK, Attn: Deposit Services, 1250 Camp Hill Bypass, Suite 202, Camp Hill PA 17011. For consumers: if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. (1) Tell us your name and account number, if any. (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information. (3) Tell us the dollar amount of the suspected error. We will investigate your complaint and will correct any error promptly. In most cases we will take no more than 10 business days to complete our investigation. If we need more time, however, for most errors we may take up to 45 days to investigate your complaint or question. If you believe that the error was the result of foreign initiated transfer or a point of sale transaction, or if you have not been an accountholder with us for more than 30 days, we may take up to 90 days to investigate your complaint or question. If we need more than 10 days to investigate the error, we will credit your account within 10 days for the amount you think is in error, unless you have not been an accountholder for at least 30 days. In which case, we will credit your account within 20 days so that you will have the use of the money during the time it takes us to complete our investigation. **BILLING RIGHTS SUMMARY:** *The following information is directed to line of credit customers.* In case of errors or questions about your bill: If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address shown on your bill as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information: (1) Your name and account number, (2) the dollar amount of the suspected error, (3) a description of the error and explanation, if you can, as to why you believe there is an error. If you need more information, describe the item you are unsure about. You still do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question. **NOTE:** Payments received after close of business shall be deemed received on the following business day for purpose of crediting your account.
