In Case of Errors or Questions About Your Electronic Transfers

If you think your statement or receipt is wrong, or if you need more information about a transfer, please write or call us at the address located on the front of this statement. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about , and explain why you believe there is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.

HOW FINANCE CHARGES ARE COMPUTED:

Finance charges begin to accrue immediately when we make a loan to you. To figure the finance charge for a billing cycle, we apply a daily periodic rate of finance charge to the "principal balance" of your loan account each day.

To figure the "principal balance" for each day, we first take your loan account balance at the beginning of the day and subtract any unpaid finance charges and credit insurance premiums (if any) that are due. Next, we subtract the portion of any payment or credits received that day which apply to the repayment of your loans. (A portion of each payment you make is applied to finance charges and credit insurance premiums, if any.) Then we add any new loans made that day. The final figure is the "principal balance".

BILLING RIGHTS SUMMARY FOR YOUR DEMAND DEPOSIT LOAN ACCOUNT

In Case of Errors or Questions About Your Bill

If you think your bill is wrong, or you need more information about a transaction on your bill, write us at the address located on the front of this statement. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not reserve your rights.

In your letter, give us the following information:

- Your name and account number.
- The dollar amount of the suspected error.
- Describe the error and explain why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question, while we investigate your question. We cannot report you as delinquent or take any action to collect the amount you question.

If your address changes, please contact your bank immediately at the above address or phone to avoid delayed or undelivered mail.
